

TO OUR VALUED FAMILIES AND COMMUNITY

As everyone is aware, there has been a wide range of media coverage on the COVID-19 (coronavirus). The families, employees and communities that we serve are all very important to us. We would like to keep everyone as safe as possible and informed as to what this means within the funeral industry. Given the reality of the COVID-19 pandemic, it is important to know that funeral directors throughout Ohio are taking the necessary precautions to limit exposure. KINLEY Funeral Home will still operate 24-hours a day, seven days a week with uninterrupted services for individuals and families in our care, regardless the manner of death. Serving our families is our privilege and honor.

This pandemic will affect all of us throughout the State of Ohio in various ways. We assure you that we will follow the State of Ohio guidelines and procedures. The health and safety of our communities is OUR TOP PRIORITY and we will take every measure to help with this Global Emergency. If you have any questions or concerns, please feel free to contact our office.

Respectfully,

KINLEY FH
